M-Smart

AUX-07/09/MA

The M-Smart series is an intelligent solution for modern spaces — combining practicality, subtle design, and everyday convenience

M-Smart series air conditioners are equipped with an advanced airflow system featuring micro-hole technology, providing comfort without the sensation of strong drafts. Thanks to the breeze function and the intelligent On-Off feature, which switches the unit off when a window is opened, M-Smart combines modern solutions with energy savings. Its elegant design makes it a perfect complement to the style of contemporary interiors.
